Company:

Aquastone Graphix LLC (dba), Aquastone Graphics & Print LLC, is a Connecticut-based business that was founded in 2006. We provide design, dynamic web development, and commercial print products for government agencies and business of all sizes.

Aquastone can create custom layouts with extreme attention to detail. With advanced skill and ability to produce in short turnaround, Aquastone can adhere to strict deadlines while meticulously following brand guidelines. Repaginating and making extensive edits in professional software such as Adobe InDesign and Illustrator are essential.

Company Principal:

Dyshann Anderson has more than a decade of business experience working with design and print media. Before owning Aquastone, he was a recent graduate of Savannah College of Art and Design.
